COMMISSIONERS' REPORTS

In accordance with the statutes of the State of New Hampshire, the Commissioners of Strafford County present the annual report of the County Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, County Physicians, Chaplain and Auditors for the year ending Dec. 31, 1922.

The following figures will show what has been spent in every department for the year:

County Farm,	\$37,687 02
Courts,	
Children,	14,317 83
Jail,	1,250 57
Aid of Blind,	1,500 00
Miscellaneous,	7,615 02
Aid for Farm Bureau,	3,050 00
Insane,	262 15
Register Deeds,	952 94
Register Probate,	409 92
Dover Poor,	20,273 97
Rochester Poor,	3,446 06
Somersworth Poor,	3,391 52
Farmington Poor,	468 29
Durham Poor,	800 49
Barrington Poor,	77 80
Strafford Poor,	144 94
Milton Poor,	120 47
Madbury Poor,	82 05
Lee Poor,	
New Durham Poor,	75 70
Rollinsford Poor,	534 01
Repairs Court House,	4,323 19

Conditions at the County Farm are as follows: We discontinued making our own electric juice and buy of the Twin State Gas & Electric Co., by so doing we are saving a large amount of coal over the cost of the Twin State charges per month.

The buildings need painting badly. The water pipe from the springs must be relaid this year of 1923.

We had to open the House of Correction because we are getting so many prisoners from the Police Courts.

We have one of the best grade Holstein herds of cows there is around here, also one of the best flock of sheep in this part of New Hampshire.

Our boilers gave out at the Court House and we put in new ones and fixed up the boiler room; the east end of the Court House settled and we had to build over part of that wall; we also put in a vault for the storage of papers, records, etc. No repairs were made at the Jail.

The outside poor calls were very large on account of the textile strikes in the cotton mills.

We desire to thank all of the officials of the County for the many courtesies that have been shown us during the past year.

JAMES B. YOUNG,
LORENZO E. BAER,
JOHN W. MORRISON,

County Commissioners.

REPORT OF DOVER CITY MISSION

*In Charge of Religious Services at the Strafford
County Farm*

Dover, N. H., February 2, 1923.

In the past year we have found everything in very good condition. Every room and hallway in the building is clean and properly heated all over, and expressions of satisfaction are heard from everyone. No effort by the management has been spared to bring comfort to the inmates.

Religious services have been held by us on Sundays, when weather has permitted, and an average of about twenty have been in attendance. A special program was given on Christmas, and small Christmas gifts and candy were passed around to all. Good literature has also been distributed to the inmates during the year, which seem to be well appreciated by them.

Respectfully submitted,

DOVER CITY MISSION.

II. Municipal Courts.

As your Solicitor I have presented and prosecuted in the Municipal courts of our county sixty-nine complaints. Of these forty involved violation of the liquor law, eight were for larceny, eight non-support, eight assault, six neglect of dependent children, three drunkenness, three lewdness, two operating an automobile under the influence of liquor, two being an ungovernable child, one illegal practice of dentistry, one fornication, one gambling and one operating automobile recklessly. The number of liquor complaints presented does not represent accurately the number of respondents involved, since in several instances two or more complaints were presented against the same respondent.

The towns and the number of cases arising in each town are as follows: New Durham 2, Middleton 5, Milton 8, Farmington 9, Strafford 1, Rochester 9, Barrington 6, Somersworth 2, Rollinsford 17, Dover 10, Madbury 1, Durham 8, Lee 1.

III. Fines and Forfeitures.

Due to the prohibitory law and the extent of its violations the return from fines for the year have been large. The fines imposed were as follows:

SUPERIOR COURT

Prohibitory violations:

Fines,	\$1,165 00	
Forfeiture automobiles,	612 00	
	<hr/>	\$1,777 00
Selling stocks without license,		400 00
Defrauding Telephone Co.,		250 00
		<hr/>
		\$2,427 00

MUNICIPAL COURTS

Prohibitory violations,	\$2,125 00	
Assaults,	80 00	
Larceny,	50 00	
Gambling,	50 00	
Practising dentistry illegally,	100 00	
Operating auto recklessly,	25 00	
Operating auto under influence of liquor,	50 00	
Drunkenness,	10 00	
	<hr/>	\$2,490 00
		<hr/>
		\$4,917 00

This money with the exception of the last seven fines, amounting to \$365 imposed by the municipal court and \$225 of the liquor fines, came to the County. Liquor fines amounting to \$225 were never paid, one respondent being pardoned by Governor and Council after serving part of his time, another living out his fine at the House of Correction, and another being suspended. The total of \$3,902 for liquor fines and forfeitures does not represent, however, the entire revenue coming into the County from this source, since it has been my policy in handling this phase of my duties to allow the local officials to present all local complaints where begun themselves and thus secure for their municipality the fines imposed, the County officials merely supervising or coming in where requested or necessary. I believe this has proven successful, and in two of our cities, at least Dover and Rochester, an incentive for noteworthy, energetic and successful prosecution. The fines coming to the municipalities through this policy approximate \$10,000.

Respectfully submitted,

BURT R. COOPER.
